

LEAVE A GIFT IN YOUR WILL

Planned Giving is part of CPAR's financial and estate planning; it can help establish your legacy and continue your commitment to eradicating poverty. By making a planned gift through your estate or assets, such as securities or RRSPs, you can establish a legacy while making a lasting impact in the lives of families in Africa.

Your gift will allow CPAR to plan for future programming, ensuring that the organization's 40 plus years of programming continues to help families today and for generations to come. Arranging a legacy gift is easy to do and you can receive a tax credit that will ease the tax burden on your heirs.
